

Quarterly review of transactions concluded by JSC Energoservice of Kuban in the third quarter 2021

Ser. No.	Counterparty to the transaction	Transaction price, including VAT, rubles	Subject of transaction
<u>1. Concluded transactions (series of related transactions), where the amount of liabilities is up to 10 and more percent of carrying value of assets of JSC Energoservice of Kuban in accordance with the data from Financial Statements for the previous completed reporting period:</u>			
1	LLC Spetsstroy	328 694 613,26	Execution of construction and erection works on reconstruction of substation 110kV Kudepsta
2		140 641 183,07	
<u>2. Transactions concluded by JSC Energoservice of Kuban with subsidiaries of PJSC Rosseti Kuban (AO Energetik Holiday Facility):</u>			
1	None	None	None
<u>3. Transactions concluded by JSC Energoservice of Kuban with PJSC Rosseti Kuban or holders of more than 5% of shares of PJSC Rosseti Kuban:</u>			

1.	PJSC Rosseti Kuban	-	supplementary agreement to the contract on construction and erection works as to change in the list of subcontractors
2.		-	supplementary agreement to the contract on construction and erection works as to change in a period of work execution and reduction of contract price
3.		49 822 548,00	energy service contract
4.		22 453 206,48	rendering of services on inspection of whole-building energy meters
5.		21 357 263,04	supplementary agreement to the contract on execution of medium repair and maintenance of substation equipment of Krasnodar, Leningrad, Timashevsk, Tikhoretsk and Ust-Labinsk Electrical Networks Branches as to change in the list of facilities, contract price and a period of work execution
6.		18 633 013,50	execution of design and survey works
7.		15 737 511,64	execution of design and survey works
8.		-	supplementary agreement to the contract on execution of construction and erection works as to change of a period of work execution
9.		11 165 903,76	execution of set of works on execution of land-legal documentation
10.		-	supplementary agreement to the contract on execution of construction and erection works and commissioning works on facilities of Krasnodar Electrical Networks branch as to change of a period of work execution
11.		-	supplementary agreement to the contract on execution of construction and erection works and commissioning works on facilities of Krasnodar Electrical Networks branch as to change of a period of work execution
12.		-	supplementary agreement to the contract for execution of construction and erection works and commissioning works of Krasnodar Electrical Networks as to change in the name of the construction object
13.		10 280 837,25	rendering of services on construction supervision at the facilities of PJSC Rosseti Kuban

14.		-	supplementary agreement to the contract for execution of construction and erection works and commissioning works of Adygeyskie Electrical Networks as to change in the contractor details
15.		4 426 472,13	rendering of services on construction supervision at the facilities of PJSC Rosseti Kuban
16.		-	supplementary agreement to the energy service contract as to change in the volume of energy saving
17.		-	supplementary agreement to the contract on construction and erection works as to change in the scope of work and types of work
18.		-	supplementary agreement to the contract on construction and erection works as to change in the period of work execution
19.		2 378 360,60	execution of design and survey works on facilities of Adygeyskie Electrical Networks Branch
20.		3 487 156,16	execution of design and survey works on facilities of Adygeyskie Electrical Networks Branch
21.		5 892 691,21	execution of design and survey works on facilities of Adygeyskie Electrical Networks Branch
22.		9 279 234,58	execution of design and survey works on facilities of Adygeyskie Electrical Networks Branch
23.		2 303 913,40	execution of design and survey works on facilities of Adygeyskie Electrical Networks Branch
24.		3 292 698,95	execution of design and survey works on facilities of Adygeyskie Electrical Networks Branch
25.	PJSC Rosseti Kuban	3 290 594,89	execution of design and survey works on facilities of Adygeyskie Electrical Networks Branch
26.		2 352 636,36	execution of design and survey works on facilities of Adygeyskie Electrical Networks Branch
27.		2 749 289,57	execution of design and survey works on facilities of Adygeyskie Electrical Networks Branch
28.		2 974 901,84	execution of design and survey works on facilities of Adygeyskie Electrical Networks Branch
29.		8 431 189,99	execution of design and survey works on facilities of Adygeyskie Electrical Networks Branch
30.		-	supplementary agreement to the contract on execution of design and survey works on facilities of Adygeyskie Electrical Networks Branch as to change in the name of the object
31.		2 603 134,16	execution of design and survey works on facilities of Adygeyskie Electrical Networks Branch
32.		11 476 160,44	execution of construction and erection works on facilities of Adygeyskie Electrical Networks Branch
33.		10 822 059,51	execution of construction and erection works on facilities of Adygeyskie Electrical Networks Branch
34.		17 645 222,15	supplementary agreement to the contract on execution of design and survey works on facilities of Adygeyskie Electrical Networks Branch as to change in the marginal price of the contract
35.		-	supplementary agreement to the contract on execution of design and survey works on facilities of Adygeyskie Electrical Networks Branch as to change in the mode of payment under the agreement

36.	PJSC Rosseti Kuban	100 260,45	execution of construction and erection works on facilities of Adygeyskie Electrical Networks Branch
37.		-	supplementary agreement to the contract on construction and erection works on facilities of Adygeya Electrical Networks Branch as to change in the period of work execution
38.		-	supplementary agreement to the contract on construction and erection works on facilities of Adygeya Electrical Networks Branch as to change in the period of work execution
39.		4 261 140,92	execution of design and survey works on facilities of Adygeyskie Electrical Networks Branch
40.		935,00	services for monitoring the technical condition of motor transport when leaving the line
41.		10 594 899,26	execution of design and survey works on facilities of Adygeyskie Electrical Networks Branch
42.		-	supplementary agreement to the contract on design and survey works on facilities of Armavir Electrical Networks Branch as to change in the period of work execution
43.		-	supplementary agreement to the contract on design and survey works on facilities of Armavir Electrical Networks Branch as to change in the period of work execution
44.		-	supplementary agreement to the contract on design and survey works on facilities of Armavir Electrical Networks Branch as to change in the period of work execution
45.		-	supplementary agreement to the contract on design and survey works on facilities of Armavir Electrical Networks Branch as to change in the period of work execution
46.		1 140 981,65	execution of design and survey works on facilities of Armavirskie Electrical Networks Branch
47.		1 344 110,81	execution of design and survey works on facilities of Armavirskie Electrical Networks Branch
48.		69 977,64	execution of construction and erection works on facilities of Armavirskie Electrical Networks Branch
49.		755 088,08	execution of design and survey works on facilities of Armavirskie Electrical Networks Branch
50.		191 083,36	execution of design and survey works on facilities of Armavirskie Electrical Networks Branch
51.		564 436,80	execution of construction and erection works on facilities of Armavirskie Electrical Networks Branch
52.		512 383,74	execution of design and survey works on facilities of Armavirskie Electrical Networks Branch
53.		1 681 861 ,98	execution of construction and erection works on facilities of Armavirskie Electrical Networks Branch
54.		8 926 949,74	execution of construction and erection works on facilities of Armavirskie Electrical Networks Branch
55.		6 150 359,58	execution of construction and erection works on facilities of Armavirskie Electrical Networks Branch
56.		1 422 384,97	execution of construction and erection works on facilities of Armavirskie Electrical Networks Branch
57.		800 059,79	execution of construction and erection works on facilities of Armavirskie Electrical Networks Branch

58.		-	supplementary agreement to the framework contractor agreement as to change in type of services "turnkey technological connection" on facilities of Armavirskie Electrical Networks Branch
59.		1 020,01	services for monitoring the technical condition of motor transport when living the line of Armavirskie Electrical Networks Branch
60.		881 657,29	execution of construction and erection works on facilities of Armavirskie Electrical Networks Branch
61.		-	supplementary agreement to the contract on construction and erection works on facilities of Krasnodar Electrical Networks Branch as to change in the period of work execution
62.		870 131,54	execution of construction and erection works on facilities of Krasnodar Electrical Networks Branch
63.		1 101 185,92	supplementary agreement to the contract on design and survey works on facilities of Krasnodar Electrical Networks Branch as to change in the contract price
64.		684 757,75	supplementary agreement to the contract on design and survey works on facilities of Krasnodar Electrical Networks Branch as to change in the contract price
65.	PJSC Rosseti Kuban	3 070 734,61	supplementary agreement to the contract on design and survey works on facilities of Krasnodar Electrical Networks Branch as to change in the contract price
66.		414 932,24	supplementary agreement to the contract on design and survey works on facilities of Krasnodar Electrical Networks Branch as to change in the contract price
67.		751 489,16	supplementary agreement to the contract on design and survey works on facilities of Krasnodar Electrical Networks Branch as to change in the contract price
68.		2 164 064,10	supplementary agreement to the contract on design and survey works on facilities of Krasnodar Electrical Networks Branch as to change in the contract price
69.		1 419 320,76	execution of construction and erection works on facilities of Krasnodar Electrical Networks Branch
70.		2 123 618,62	execution of construction and erection works on facilities of Krasnodar Electrical Networks Branch
71.		-	supplementary agreement to the contract on construction and erection works on facilities of Krasnodar Electrical Networks Branch as to change in the period of work execution
72.		-	supplementary agreement to the contract on construction and erection works on facilities of Krasnodar Electrical Networks Branch as to change in conditions of work execution
73.		3 909 123,15	execution of construction and erection works on facilities of Krasnodar Electrical Networks Branch
74.		916 690,19	execution of construction and erection works on facilities of Krasnodar Electrical Networks Branch
75.		1267052,62	supplementary agreement to the contract on execution of design and survey works on facilities of Krasnodar Electrical Networks Branch as to change in the contract price

76.		1 633 543,28	execution of construction and erection works on facilities of Krasnodar Electrical Networks Branch
77.		1 372 919,21	execution of construction and erection works on facilities of Krasnodar Electrical Networks Branch
78.		1 492 186,26	execution of construction and erection works on facilities of Krasnodar Electrical Networks Branch
79.		6 417 877,77	execution of construction and erection works on facilities of Krasnodar Electrical Networks Branch
80.		1 599 598,81	supplementary agreement to the contract on execution of design and survey works on facilities of Krasnodar Electrical Networks Branch as to change in the contract price
81.		4 706 779,73	execution of construction and erection works on facilities of Krasnodar Electrical Networks Branch
82.		2 327 815,90	supplementary agreement to the contract on execution of design and survey works on facilities of Krasnodar Electrical Networks Branch as to change in the contract price
83.		2 970 270,34	supplementary agreement to the contract on execution of land-legal and town planning documents as to change in the contract price
84.		1 223 829,28	execution of land-legal and town planning documents
85.	PJSC Rosseti Kuban	852 171,40	execution of land-legal and town planning documents
86.		1 240 668,80	supplementary agreement to the contract on execution of design and survey works on facilities of Krasnodar Electrical Networks Branch as to change in the contract price
87.		-	supplementary agreement to the contract on the execution of construction and erection works on facilities of the Krasnodar Networks Branch as to change in the period of work execution
88.		2 057 865,01	execution of construction and erection works on facilities of the Krasnodar Networks Branch
89.		770 611,50	execution of land-legal and town planning documents
90.		473 407,60	execution of construction and erection works on facilities of Krasnodar Electrical Networks Branch
91.		833 881,82	execution of construction and erection works on facilities of Krasnodar Electrical Networks Branch
92.		5 628 870,02	execution of construction and erection works on facilities of Krasnodar Electrical Networks Branch
93.		1 077 851,34	execution of construction and erection works on facilities of Krasnodar Electrical Networks Branch
94.		705 143,81	execution of construction and erection works on facilities of Krasnodar Electrical Networks Branch
95.		5 306 422,76	execution of construction and erection works on facilities of Krasnodar Electrical Networks Branch
96.		755 877,00	execution of land-legal and town planning documents
97.		45 964,80	execution of land-legal and town planning documents

98.	PJSC Rosseti Kuban	1 476 073,91	supplementary agreement to the contract on execution of design and survey works on facilities of Krasnodar Electrical Networks Branch as to change in the contract price
99.		294 338,03	execution of construction and erection works on facilities of Krasnodar Electrical Networks Branch
100.		-	supplementary agreement to the contract on the execution of construction and erection works on facilities of Krasnodar Electrical Networks Branch as to change in the period of work execution
101.		-	supplementary agreement to the contract on the execution of construction and erection works on facilities of Krasnodar Electrical Networks Branch as to change in the period of work execution
102.		2 467 174,76	supplementary agreement to the contract on the execution of construction and erection works on facilities of Krasnodar Electrical Networks Branch as to change in the period of work execution and contract price
103.		246 500,98	execution of construction and erection works on facilities of Krasnodar Electrical Networks Branch
104.		295 603,90	execution of construction and erection works on facilities of Krasnodar Electrical Networks Branch
105.		74 689,00	execution of land-legal and town planning documents
106.		1 330 608,00	execution of construction and erection works on facilities of Krasnodar Electrical Networks Branch
107.		48 406 891,12	supplementary agreement to the framework agreement for the execution of works "turnkey technological connection" on facilities of Krasnodar Electrical Networks Branch as to change in the framework agreement price the procedure for the transfer of materials
108.		2 539 697,76	execution of construction and erection works on facilities of Krasnodar Electrical Networks Branch
109.		-	supplementary agreement to the contract on the execution of construction and erection works on facilities of Krasnodar Electrical Networks Branch as to change in the period of work execution
110.		909 339,39	execution of construction and erection works on facilities of Krasnodar Electrical Networks Branch
111.		1 874 851,42	supplementary agreement to the contract on execution of design and survey works on facilities of Krasnodar Electrical Networks Branch as to change in the contract price
112.		-	supplementary agreement to the contract on the execution of construction and erection works on facilities of Krasnodar Electrical Networks Branch as to change in the period of work execution
113.		2 796 015,02	execution of construction and erection works on facilities of Krasnodar Electrical Networks Branch
114.	1 434 426,48	execution of design and survey works on facilities of Labinsk Electrical Networks Branch	
115.	742 848,80	execution of design and survey works on facilities of Labinsk Electrical Networks Branch	
116.	684 967,98	execution of design and survey works on facilities of Labinsk Electrical Networks Branch	

117.		6 714 363,70	framework contractor agreement on execution of construction and erection works on facilities of Labinsk Electrical Networks Branch
118.		6 640 011,19	supplementary agreement to the framework contractor agreement for the execution of construction and erection works on facilities of Labinsk Electrical Networks Branch as to change in price and procedure for acceptance of the equipment and materials
119.		25 296,06	execution of construction and erection works on facilities of Labinsk Electrical Networks Branch
120.		211 881,44	execution of construction and erection works on facilities of Labinsk Electrical Networks Branch
121.		89 271,48	execution of construction and erection works on facilities of Labinsk Electrical Networks Branch
122.		62 254,84	execution of construction and erection works on facilities of Labinsk Electrical Networks Branch
123.		103 781,47	execution of construction and erection works on facilities of Labinsk Electrical Networks Branch
124.	PJSC Rosseti Kuban	-	supplementary agreement to the contract on execution of design and survey works on facilities of Labinsk Electrical Networks Branch as to change in the period of work execution
125.		1 000,00	technical documentation reissuance
126.		-	supplementary agreement to the contract on execution of design and survey works on facilities of Labinsk Electrical Networks Branch as to change in the period of work execution
127.		771 983,81	execution of design and survey works on facilities of Labinsk Electrical Networks Branch
128.		252 166,68	execution of design and survey works on facilities of Leningradskie Electrical Networks Branch
129.		32 968,12	execution of design and survey works on facilities of Leningradskie Electrical Networks Branch
130.		97 001,81	execution of design and survey works on facilities of Leningradskie Electrical Networks Branch
131.		-	supplementary agreement to the contract on execution of construction and erection works and commissioning works on facilities of Leningradskie Electrical Networks branch as to change in the period of work execution
132.		-	supplementary agreement to the contract for execution of construction and erection works and commissioning works of facilities of distribution networks of Leningrad Electrical Networks as to change in the period of work execution
133.		121 748,28	execution of design and survey works on facilities of Leningradskie Electrical Networks Branch
134.		139 835,92	execution of design and survey works on facilities of Leningradskie Electrical Networks Branch
135.		264 519,52	execution of design and survey works on facilities of Leningradskie Electrical Networks Branch
136.		1 105 015,04	execution of construction and erection works on facilities of Leningradskie Electrical Networks Branch
137.		-	supplementary agreement to the contract for execution of construction and erection works and commissioning works of facilities of distribution networks of Leningrad Electrical

		Networks as to change in the period of work execution
138.	-	supplementary agreement to the contract for execution of construction and erection works and commissioning works of facilities of distribution networks of Leningrad Electrical Networks as to change in the period of work execution
139.	-	supplementary agreement to the contract for execution of construction and erection works and commissioning works of facilities of distribution networks of Leningrad Electrical Networks as to change in the period of work execution
140.	-	supplementary agreement to the contract for execution of construction and erection works and commissioning works of facilities of distribution networks of Leningrad Electrical Networks as to change in the period of work execution
141.	-	supplementary agreement to the contract on execution of design and survey works on facilities of Leningrad Electrical Networks Branch as to change in the period of work execution
142.	PJSC Rosseti Kuban	35 074,49
143.		41 230,53
144.		804 749,43
145.		662 062,73
146.		1 403 827,73
147.		168 237,95
148.		158 467,10
149.		235 611,90
150.		981 468,84
151.		386 146,85
152.	-	supplementary agreement to the contract for execution of construction and erection works and commissioning works of facilities of distribution networks of Leningrad Electrical Networks as to change in the period of work execution
153.	-	supplementary agreement to the contract for execution of construction and erection works and commissioning works of facilities of distribution networks of Leningrad Electrical Networks as to change in the period of work execution
154.	-	supplementary agreement to the contract for execution of construction and erection works and commissioning works of facilities of distribution networks of Leningrad Electrical Networks as to change in the period of work execution
155.	-	supplementary agreement to the contract for execution of construction and erection works and commissioning works of facilities of distribution networks of Leningrad Electrical Networks as to change in the period of work execution

156.	PJSC Rosseti Kuban	-	supplementary agreement to the contract for execution of construction and erection works and commissioning works of facilities of distribution networks of Leningrad Electrical Networks as to change in the period of work execution
157.		-	supplementary agreement to the contract for execution of construction and erection works and commissioning works of facilities of distribution networks of Leningrad Electrical Networks as to change in the period of work execution
158.		5 513 601,49	execution of construction and erection works on facilities of Leningradskie Electrical Networks Branch
159.		217 622,18	execution of design and survey works on facilities of Leningradskie Electrical Networks Branch
160.		5 575 258,09	execution of construction and erection works on facilities of Leningradskie Electrical Networks Branch
161.		1 647 353,41	execution of construction and erection works on facilities of Leningradskie Electrical Networks Branch
162.		390 366,93	supplementary agreement to the contract for execution of construction and erection works and commissioning works of facilities of distribution networks of Leningrad Electrical Networks as to change in the contract price
163.		2 062 492,15	execution of construction and erection works on facilities of Leningradskie Electrical Networks Branch
164.		2 019 537,46	execution of construction and erection works on facilities of Leningradskie Electrical Networks Branch
165.		341 056,25	execution of construction and erection works on facilities of Leningradskie Electrical Networks Branch
166.		130 418,39	execution of design and survey works on facilities of Leningradskie Electrical Networks Branch
167.		880,00	providing services for monitoring the technical condition of motor transport when leaving the line
168.		2 020 116,00	execution of design and survey works on facilities of Slavyanskie Electrical Networks Branch
169.		2 802 804,29	execution of design and survey works on facilities of Slavyanskie Electrical Networks Branch
170.		5 016 542,00	execution of design and survey works on facilities of Slavyanskie Electrical Networks Branch
171.		1 750 244,40	execution of design and survey works on facilities of Slavyanskie Electrical Networks Branch
172.		-	supplementary agreement to the contract on the execution of construction and erection works on facilities of Slavyanskie Electrical Networks Branch as to change in the period of work execution
173.		-	supplementary agreement to the contract on execution of design and survey works on facilities of Slavyanskie Electrical Networks Branch as to change in the period of work execution
174.		-	supplementary agreement to the contract on execution of design and survey works on facilities of Slavyanskie Electrical Networks Branch as to change in the period of work execution
175.		410 674,02	execution of construction and erection works on facilities of Slavyanskie Electrical Networks Branch
176.	557 576,04	execution of construction and erection works on facilities of Slavyanskie Electrical Networks Branch	

177.	PJSC Rosseti Kuban	482 068,98	execution of construction and erection works on facilities of Slavyanskie Electrical Networks Branch
178.		285 455,59	execution of construction and erection works on facilities of Slavyanskie Electrical Networks Branch
179.		5 399 978,72	execution of construction and erection works on facilities of Slavyanskie Electrical Networks Branch
180.		550 267,38	execution of construction and erection works on facilities of Slavyanskie Electrical Networks Branch
181.		410 919,84	execution of construction and erection works on facilities of Slavyanskie Electrical Networks Branch
182.		547 476,76	execution of construction and erection works on facilities of Slavyanskie Electrical Networks Branch
183.		365 404,12	execution of construction and erection works on facilities of Slavyanskie Electrical Networks Branch
184.		589 554,18	execution of construction and erection works on facilities of Slavyanskie Electrical Networks Branch
185.		420 788,64	execution of construction and erection works on facilities of Slavyanskie Electrical Networks Branch
186.		-	supplementary agreement to the contract on execution of design and survey works on facilities of Slavyanskie Electrical Networks Branch as to change in the period of work execution
187.		-	supplementary agreement to the contract on execution of design and survey works on facilities of Slavyanskie Electrical Networks Branch as to change in the period of work execution
188.		-	supplementary agreement to the contract on execution of design and survey works on facilities of Slavyanskie Electrical Networks Branch as to change in the period of work execution
189.		2 381 840,00	execution of design and survey works on facilities of Slavyanskie Electrical Networks Branch
190.		666 966,88	execution of construction and erection works on facilities of Slavyanskie Electrical Networks Branch
191.		3 602 000,00	execution of construction and erection works on facilities of Slavyanskie Electrical Networks Branch
192.		138 700,00	execution of design and survey works on facilities of Slavyanskie Electrical Networks Branch
193.		763 700,00	execution of design and survey works on facilities of Slavyanskie Electrical Networks Branch
194.		2 008 992,00	execution of design and survey works on facilities of Slavyanskie Electrical Networks Branch
195.		-	supplementary agreement to the contract on execution of design and survey works on facilities of Slavyanskie Electrical Networks Branch as to change in the period of work execution
196.	480 776,00	execution of design and survey works on facilities of Slavyanskie Electrical Networks Branch	
197.	5 662 949,66	execution of design and survey works on facilities of Slavyanskie Electrical Networks Branch	
198.	PJSC Rosseti Kuban	-	supplementary agreement to the contract on execution of design and survey works on facilities of Slavyanskie Electrical Networks Branch as to change in the period of work execution

199.	-	supplementary agreement to the contract on the execution of construction and erection works on facilities of Slavyansk Electrical Networks Branch as to change in the procedure for acceptance of completed works and contractual payment
200.	-	supplementary agreement to the contract on execution of design and survey works on facilities of Slavyansk Electrical Networks Branch as to change in the period of work execution
201.	8 059 775,27	execution of construction and erection works on facilities of Slavyansk Electrical Networks Branch
202.	3 810 082,86	execution of construction and erection works on facilities of Slavyansk Electrical Networks Branch
203.	-	supplementary agreement to the contract on the execution of construction and erection works on facilities of Slavyansk Electrical Networks Branch as to change in the period of work execution
204.	1 533 094,18	execution of design and survey works on facilities of Slavyansk Electrical Networks Branch
205.	-	supplementary agreement to the contract on execution of design and survey works on facilities of Slavyansk Electrical Networks Branch as to change in the period of work execution
206.	5 641 918,26	supplementary agreement to the contract on the execution of construction and erection works on facilities of Slavyansk Electrical Networks Branch as to change in the contract price
207.	3 658 776,53	execution of construction and erection works on facilities of Slavyansk Electrical Networks Branch
208.	2 909 305,52	execution of design and survey works on facilities of Slavyansk Electrical Networks Branch
209.	1 040 308,00	execution of design and survey works on facilities of Slavyansk Electrical Networks Branch
