

Quarterly review of intra-group transactions of PJSC Rosseti Kuban

(for the third quarter (Q3) of 2021)

Intra-group transactions including transactions between the Company and its shareholders holding at least 5% of voting shares of PJSC Rosseti Kuban: :

Ser.No.	Contractor	Contract price, RUB	Subject of the Contract
1.	PJSC Rosseti	125 324 743,15	services for organization of the functioning and development of integrated power grid of PJSC Rosseti Kuban
2.	JSC Energetik Holiday Facility.	23 489 109,60	supplementary agreement to the contract for the provision of services on conducting the independent evaluation of professional qualifications of the employees as to change of list of services and contract price
3.	JSC Energoservice of Kuban	-	supplementary agreement to the contract on construction and erection works as to change in the list of subcontractors
4.	JSC Energoservice of Kuban	-	supplementary agreement to the contract on construction and erection works as to change in a period of work execution and reduction of contract price
5.	JSC Energoservice of Kuban	49 822 548,00	energy service contract
6.	JSC Energoservice of Kuban	22 453 206,48	rendering of services on inspection of whole-building energy meters
7.	JSC Energoservice of Kuban	21 357 263,04	supplementary agreement to the contract on execution of medium repair and maintenance of substation equipment of Krasnodar, Leningrad, Timashevsk, Tikhoretsk and Ust-Labinsk Electrical Networks Branches as to change in the list of facilities, contract price and a period of work execution
8.	JSC Energoservice of Kuban	18 633 013,50	execution of design and survey works
9.	JSC Energoservice of Kuban	15 737 511,64	execution of design and survey works
10.	JSC Energoservice of Kuban	-	supplementary agreement to the contract on execution of construction and erection works as to change of a period of work execution
11.	JSC Energoservice of Kuban	11 165 903,76	execution of set of works on execution of land-legal documentation
12.	JSC Energoservice of Kuban	-	supplementary agreement to the contract on execution of construction and erection works and commissioning works on facilities of Krasnodar Electrical Networks branch as to change of a period of work execution
13.	JSC Energoservice of Kuban	-	supplementary agreement to the contract on execution of construction and erection works and commissioning works on facilities of Krasnodar Electrical Networks branch as to change of a period of work execution
14.	JSC Energoservice of Kuban	-	supplementary agreement to the contract for execution of construction and erection works and commissioning works of Krasnodar Electrical Networks as to change in the name of the construction object
15.	JSC Energoservice of Kuban	10 280 837,25	rendering of services on construction supervision at the facilities of PJSC Rosseti Kuban
16.	JSC Energoservice of Kuban	-	supplementary agreement to the contract for execution of construction and erection works and commissioning works of Adygeyskie Electrical Networks as to change in the contractor details

17.	JSC Energoservice of Kuban	4 426 472,13	rendering of services on construction supervision at the facilities of PJSC Rosseti Kuban
18.	JSC Energoservice of Kuban	-	supplementary agreement to the energy service contract as to change in the volume of energy saving
19.	JSC Energoservice of Kuban	-	supplementary agreement to the contract on construction and erection works as to change in the scope of work and types of work
20.	JSC Energoservice of Kuban	-	supplementary agreement to the contract on construction and erection works as to change in the period of work execution
21.	JSC Energoservice of Kuban	2 378 360,60	execution of design and survey works on facilities of Adygeyskie Electrical Networks Branch
22.	JSC Energoservice of Kuban	3 487 156,16	execution of design and survey works on facilities of Adygeyskie Electrical Networks Branch
23.	JSC Energoservice of Kuban	5 892 691,21	execution of design and survey works on facilities of Adygeyskie Electrical Networks Branch
24.	JSC Energoservice of Kuban	9 279 234,58	execution of design and survey works on facilities of Adygeyskie Electrical Networks Branch
25.	JSC Energoservice of Kuban	2 303 913,40	execution of design and survey works on facilities of Adygeyskie Electrical Networks Branch
26.	JSC Energoservice of Kuban	3 292 698,95	execution of design and survey works on facilities of Adygeyskie Electrical Networks Branch
27.	JSC Energoservice of Kuban	3 290 594,89	execution of design and survey works on facilities of Adygeyskie Electrical Networks Branch
28.	JSC Energoservice of Kuban	2 352 636,36	execution of design and survey works on facilities of Adygeyskie Electrical Networks Branch
29.	JSC Energoservice of Kuban	2 749 289,57	execution of design and survey works on facilities of Adygeyskie Electrical Networks Branch
30.	JSC Energoservice of Kuban	2 974 901,84	execution of design and survey works on facilities of Adygeyskie Electrical Networks Branch
31.	JSC Energoservice of Kuban	8 431 189,99	execution of design and survey works on facilities of Adygeyskie Electrical Networks Branch
32.	JSC Energoservice of Kuban	-	supplementary agreement to the contract on execution of design and survey works on facilities of Adygeyskie Electrical Networks Branch as to change in the name of the object
33.	JSC Energoservice of Kuban	2 603 134,16	execution of design and survey works on facilities of Adygeyskie Electrical Networks Branch
34.	JSC Energoservice of Kuban	11 476 160,44	execution of construction and erection works on facilities of Adygeyskie Electrical Networks Branch
35.	JSC Energoservice of Kuban	10 822 059,51	execution of construction and erection works on facilities of Adygeyskie Electrical Networks Branch
36.	JSC Energoservice of Kuban	17 645 222,15	supplementary agreement to the contract on execution of design and survey works on facilities of Adygeyskie Electrical Networks Branch as to change in the marginal price of the contract
37.	JSC Energoservice of Kuban	-	supplementary agreement to the contract on execution of design and survey works on facilities of Adygeyskie Electrical Networks Branch as to change in the mode of payment under the agreement
38.	JSC Energoservice of Kuban	100 260,45	execution of construction and erection works on facilities of Adygeyskie Electrical Networks Branch
39.	JSC Energoservice of Kuban	-	supplementary agreement to the contract on construction and erection works on facilities of Adygeya Electrical Networks Branch as to change in the period of work execution
40.	JSC Energoservice of Kuban	-	supplementary agreement to the contract on construction and erection works on facilities of Adygeya Electrical Networks Branch as to change in the period of work execution

41.	JSC Energoservice of Kuban	4 261 140,92	execution of design and survey works on facilities of Adygeyskie Electrical Networks Branch
42.	JSC Energoservice of Kuban	935,00	services for monitoring the technical condition of motor transport when leaving the line
43.	JSC Energoservice of Kuban	10 594 899,26	execution of design and survey works on facilities of Adygeyskie Electrical Networks Branch
44.	JSC Energoservice of Kuban	-	supplementary agreement to the contract on design and survey works on facilities of Armavir Electrical Networks Branch as to change in the period of work execution
45.	JSC Energoservice of Kuban	-	supplementary agreement to the contract on design and survey works on facilities of Armavir Electrical Networks Branch as to change in the period of work execution
46.	JSC Energoservice of Kuban	-	supplementary agreement to the contract on design and survey works on facilities of Armavir Electrical Networks Branch as to change in the period of work execution
47.	JSC Energoservice of Kuban	-	supplementary agreement to the contract on design and survey works on facilities of Armavir Electrical Networks Branch as to change in the period of work execution
48.	JSC Energoservice of Kuban	1 140 981,65	execution of design and survey works on facilities of Armavirskie Electrical Networks Branch
49.	JSC Energoservice of Kuban	1 344 110,81	execution of design and survey works on facilities of Armavirskie Electrical Networks Branch
50.	JSC Energoservice of Kuban	69 977,64	execution of construction and erection works on facilities of Armavirskie Electrical Networks Branch
51.	JSC Energoservice of Kuban	755 088,08	execution of design and survey works on facilities of Armavirskie Electrical Networks Branch
52.	JSC Energoservice of Kuban	191 083,36	execution of design and survey works on facilities of Armavirskie Electrical Networks Branch
53.	JSC Energoservice of Kuban	564 436,80	execution of construction and erection works on facilities of Armavirskie Electrical Networks Branch
54.	JSC Energoservice of Kuban	512 383,74	execution of design and survey works on facilities of Armavirskie Electrical Networks Branch
55.	JSC Energoservice of Kuban	1 681 861 ,98	execution of construction and erection works on facilities of Armavirskie Electrical Networks Branch
56.	JSC Energoservice of Kuban	8 926 949,74	execution of construction and erection works on facilities of Armavirskie Electrical Networks Branch
57.	JSC Energoservice of Kuban	6 150 359,58	execution of construction and erection works on facilities of Armavirskie Electrical Networks Branch
58.	JSC Energoservice of Kuban	1 422 384,97	execution of construction and erection works on facilities of Armavirskie Electrical Networks Branch
59.	JSC Energoservice of Kuban	800 059,79	execution of construction and erection works on facilities of Armavirskie Electrical Networks Branch
60.	JSC Energoservice of Kuban	-	supplementary agreement to the framework contractor agreement as to change in type of services "turnkey technological connection" on facilities of Armavirskie Electrical Networks Branch
61.	JSC Energoservice of Kuban	1 020,01	services for monitoring the technical condition of motor transport when living the line of Armavirskie Electrical Networks Branch
62.	JSC Energoservice of Kuban	881 657,29	execution of construction and erection works on facilities of Armavirskie Electrical Networks Branch
63.	JSC Energoservice of Kuban		supplementary agreement to the contract on construction and erection works on facilities of Krasnodar Electrical Networks Branch as to change in the period of work execution
64.	JSC Energoservice of Kuban	870 131,54	execution of construction and erection works on facilities of Krasnodar Electrical Networks Branch
65.	JSC Energoservice of Kuban	1 101 185,92	supplementary agreement to the contract on design and survey works on facilities of Krasnodar Electrical

			Networks Branch as to change in the contract price
66.	JSC Energoservice of Kuban	684 757,75	supplementary agreement to the contract on design and survey works on facilities of Krasnodar Electrical Networks Branch as to change in the contract price
67.	JSC Energoservice of Kuban	3 070 734,61	supplementary agreement to the contract on design and survey works on facilities of Krasnodar Electrical Networks Branch as to change in the contract price
68.	JSC Energoservice of Kuban	414 932,24	supplementary agreement to the contract on design and survey works on facilities of Krasnodar Electrical Networks Branch as to change in the contract price
69.	JSC Energoservice of Kuban	751 489,16	supplementary agreement to the contract on design and survey works on facilities of Krasnodar Electrical Networks Branch as to change in the contract price
70.	JSC Energoservice of Kuban	2 164 064,10	supplementary agreement to the contract on design and survey works on facilities of Krasnodar Electrical Networks Branch as to change in the contract price
71.	JSC Energoservice of Kuban	1 419 320,76	execution of construction and erection works on facilities of Krasnodar Electrical Networks Branch
72.	JSC Energoservice of Kuban	2 123 618,62	execution of construction and erection works on facilities of Krasnodar Electrical Networks Branch
73.	JSC Energoservice of Kuban	-	supplementary agreement to the contract on construction and erection works on facilities of Krasnodar Electrical Networks Branch as to change in the period of work execution
74.	JSC Energoservice of Kuban	-	supplementary agreement to the contract on construction and erection works on facilities of Krasnodar Electrical Networks Branch as to change in conditions of work execution
75.	JSC Energoservice of Kuban	3 909 123,15	execution of construction and erection works on facilities of Krasnodar Electrical Networks Branch
76.	JSC Energoservice of Kuban	916 690,19	execution of construction and erection works on facilities of Krasnodar Electrical Networks Branch
77.	JSC Energoservice of Kuban	1267052,62	supplementary agreement to the contract on execution of design and survey works on facilities of Krasnodar Electrical Networks Branch as to change in the contract price
78.	JSC Energoservice of Kuban	1 633 543,28	execution of construction and erection works on facilities of Krasnodar Electrical Networks Branch
79.	JSC Energoservice of Kuban	1 372 919,21	execution of construction and erection works on facilities of Krasnodar Electrical Networks Branch
80.	JSC Energoservice of Kuban	1 492 186,26	execution of construction and erection works on facilities of Krasnodar Electrical Networks Branch
81.	JSC Energoservice of Kuban	6 417 877,77	execution of construction and erection works on facilities of Krasnodar Electrical Networks Branch
82.	JSC Energoservice of Kuban	1 599 598,81	supplementary agreement to the contract on execution of design and survey works on facilities of Krasnodar Electrical Networks Branch as to change in the contract price
83.	JSC Energoservice of Kuban	4 706 779,73	execution of construction and erection works on facilities of Krasnodar Electrical Networks Branch
84.	JSC Energoservice of Kuban	2 327 815,90	supplementary agreement to the contract on execution of design and survey works on facilities of Krasnodar Electrical Networks Branch as to change in the contract price
85.	JSC Energoservice of Kuban	2 970 270,34	supplementary agreement to the contract on execution of land-legal and town planning documents as to change in the contract price
86.	JSC Energoservice of Kuban	1 223 829,28	execution of land-legal and town planning documents

87.	JSC Energoservice of Kuban	852 171,40	execution of land-legal and town planning documents
88.	JSC Energoservice of Kuban	1 240 668,80	supplementary agreement to the contract on execution of design and survey works on facilities of Krasnodar Electrical Networks Branch as to change in the contract price
89.	JSC Energoservice of Kuban	-	supplementary agreement to the contract on the execution of construction and erection works on facilities of the Krasnodar Networks Branch as to change in the period of work execution
90.	JSC Energoservice of Kuban	2 057 865,01	execution of construction and erection works on facilities of the Krasnodar Networks Branch
91.	JSC Energoservice of Kuban	770 611,50	execution of land-legal and town planning documents
92.	JSC Energoservice of Kuban	473 407,60	execution of construction and erection works on facilities of Krasnodar Electrical Networks Branch
93.	JSC Energoservice of Kuban	833 881,82	execution of construction and erection works on facilities of Krasnodar Electrical Networks Branch
94.	JSC Energoservice of Kuban	5 628 870,02	execution of construction and erection works on facilities of Krasnodar Electrical Networks Branch
95.	JSC Energoservice of Kuban	1 077 851,34	execution of construction and erection works on facilities of Krasnodar Electrical Networks Branch
96.	JSC Energoservice of Kuban	705 143,81	execution of construction and erection works on facilities of Krasnodar Electrical Networks Branch
97.	JSC Energoservice of Kuban	5 306 422,76	execution of construction and erection works on facilities of Krasnodar Electrical Networks Branch
98.	JSC Energoservice of Kuban	755 877,00	execution of land-legal and town planning documents
99.	JSC Energoservice of Kuban	45 964,80	execution of land-legal and town planning documents
100.	JSC Energoservice of Kuban	1 476 073,91	supplementary agreement to the contract on execution of design and survey works on facilities of Krasnodar Electrical Networks Branch as to change in the contract price
101.	JSC Energoservice of Kuban	294 338,03	execution of construction and erection works on facilities of Krasnodar Electrical Networks Branch
102.	JSC Energoservice of Kuban	-	supplementary agreement to the contract on the execution of construction and erection works on facilities of Krasnodar Electrical Networks Branch as to change in the period of work execution
103.	JSC Energoservice of Kuban	-	supplementary agreement to the contract on the execution of construction and erection works on facilities of Krasnodar Electrical Networks Branch as to change in the period of work execution
104.	JSC Energoservice of Kuban	2 467 174,76	supplementary agreement to the contract on the execution of construction and erection works on facilities of Krasnodar Electrical Networks Branch as to change in the period of work execution and contract price
105.	JSC Energoservice of Kuban	246 500,98	execution of construction and erection works on facilities of Krasnodar Electrical Networks Branch
106.	JSC Energoservice of Kuban	295 603,90	execution of construction and erection works on facilities of Krasnodar Electrical Networks Branch
107.	JSC Energoservice of Kuban	74 689,00	execution of land-legal and town planning documents
108.	JSC Energoservice of Kuban	1 330 608,00	execution of construction and erection works on facilities of Krasnodar Electrical Networks Branch
109.	JSC Energoservice of Kuban	48 406 891,12	supplementary agreement to the framework agreement for the execution of works "turnkey technological connection" on facilities of Krasnodar Electrical Networks Branch as to change in the framework agreement price the procedure

			for the transfer of materials
110.	JSC Energoservice of Kuban	2 539 697,76	execution of construction and erection works on facilities of Krasnodar Electrical Networks Branch
111.	JSC Energoservice of Kuban	-	supplementary agreement to the contract on the execution of construction and erection works on facilities of Krasnodar Electrical Networks Branch as to change in the period of work execution
112.	JSC Energoservice of Kuban	909 339,39	execution of construction and erection works on facilities of Krasnodar Electrical Networks Branch
113.	JSC Energoservice of Kuban	1 874 851,42	supplementary agreement to the contract on execution of design and survey works on facilities of Krasnodar Electrical Networks Branch as to change in the contract price
114.	JSC Energoservice of Kuban	-	supplementary agreement to the contract on the execution of construction and erection works on facilities of Krasnodar Electrical Networks Branch as to change in the period of work execution
115.	JSC Energoservice of Kuban	2 796 015,02	execution of construction and erection works on facilities of Krasnodar Electrical Networks Branch
116.	JSC Energoservice of Kuban	1 434 426,48	execution of design and survey works on facilities of Labinsk Electrical Networks Branch
117.	JSC Energoservice of Kuban	742 848,80	execution of design and survey works on facilities of Labinsk Electrical Networks Branch
118.	JSC Energoservice of Kuban	684 967,98	execution of design and survey works on facilities of Labinsk Electrical Networks Branch
119.	JSC Energoservice of Kuban	6 714 363,70	framework contractor agreement on execution of construction and erection works on facilities of Labinsk Electrical Networks Branch
120.	JSC Energoservice of Kuban	6 640 011,19	supplementary agreement to the framework contractor agreement for the execution of construction and erection works on facilities of Labinsk Electrical Networks Branch as to change in price and procedure for acceptance of the equipment and materials
121.	JSC Energoservice of Kuban	25 296,06	execution of construction and erection works on facilities of Labinsk Electrical Networks Branch
122.	JSC Energoservice of Kuban	211 881,44	execution of construction and erection works on facilities of Labinsk Electrical Networks Branch
123.	JSC Energoservice of Kuban	89 271,48	execution of construction and erection works on facilities of Labinsk Electrical Networks Branch
124.	JSC Energoservice of Kuban	62 254,84	execution of construction and erection works on facilities of Labinsk Electrical Networks Branch
125.	JSC Energoservice of Kuban	103 781,47	execution of construction and erection works on facilities of Labinsk Electrical Networks Branch
126.	JSC Energoservice of Kuban	-	supplementary agreement to the contract on execution of design and survey works on facilities of Labinsk Electrical Networks Branch as to change in the period of work execution
127.	JSC Energoservice of Kuban	1 000,00	technical documentation reissuance
128.	JSC Energoservice of Kuban	-	supplementary agreement to the contract on execution of design and survey works on facilities of Labinsk Electrical Networks Branch as to change in the period of work execution
129.	JSC Energoservice of Kuban	771 983,81	execution of design and survey works on facilities of Labinsk Electrical Networks Branch
130.	JSC Energoservice of Kuban	252 166,68	execution of design and survey works on facilities of Leningradskie Electrical Networks Branch

131.	JSC Energoservice of Kuban	32 968,12	execution of design and survey works on facilities of Leningradskie Electrical Networks Branch
132.	JSC Energoservice of Kuban	97 001,81	execution of design and survey works on facilities of Leningradskie Electrical Networks Branch
133.	JSC Energoservice of Kuban	-	supplementary agreement to the contract on execution of construction and erection works and commissioning works on facilities of Leningradskie Electrical Networks branch as to change in the period of work execution
134.	JSC Energoservice of Kuban	-	supplementary agreement to the contract for execution of construction and erection works and commissioning works of facilities of distribution networks of Leningrad Electrical Networks as to change in the period of work execution
135.	JSC Energoservice of Kuban	121 748,28	execution of design and survey works on facilities of Leningradskie Electrical Networks Branch
136.	JSC Energoservice of Kuban	139 835,92	execution of design and survey works on facilities of Leningradskie Electrical Networks Branch
137.	JSC Energoservice of Kuban	264 519,52	execution of design and survey works on facilities of Leningradskie Electrical Networks Branch
138.	JSC Energoservice of Kuban	1 105 015,04	execution of construction and erection works on facilities of Leningradskie Electrical Networks Branch
139.	JSC Energoservice of Kuban	-	supplementary agreement to the contract for execution of construction and erection works and commissioning works of facilities of distribution networks of Leningrad Electrical Networks as to change in the period of work execution
140.	JSC Energoservice of Kuban	-	supplementary agreement to the contract for execution of construction and erection works and commissioning works of facilities of distribution networks of Leningrad Electrical Networks as to change in the period of work execution
141.	JSC Energoservice of Kuban	-	supplementary agreement to the contract for execution of construction and erection works and commissioning works of facilities of distribution networks of Leningrad Electrical Networks as to change in the period of work execution
142.	JSC Energoservice of Kuban	-	supplementary agreement to the contract for execution of construction and erection works and commissioning works of facilities of distribution networks of Leningrad Electrical Networks as to change in the period of work execution
143.	JSC Energoservice of Kuban	-	supplementary agreement to the contract on execution of design and survey works on facilities of Leningrad Electrical Networks Branch as to change in the period of work execution
144.	JSC Energoservice of Kuban	35 074,49	execution of design and survey works on facilities of Leningradskie Electrical Networks Branch
145.	JSC Energoservice of Kuban	41 230,53	execution of design and survey works on facilities of Leningradskie Electrical Networks Branch
146.	JSC Energoservice of Kuban	804 749,43	execution of construction and erection works on facilities of Leningradskie Electrical Networks Branch
147.	JSC Energoservice of Kuban	662 062,73	execution of construction and erection works on facilities of Leningradskie Electrical Networks Branch
148.	JSC Energoservice of Kuban	1 403 827,73	execution of construction and erection works on facilities of Leningradskie Electrical Networks Branch
149.	JSC Energoservice of Kuban	168 237,95	execution of construction and erection works on facilities of Leningradskie Electrical Networks Branch
150.	JSC Energoservice of Kuban	158 467,10	execution of design and survey works on facilities of Leningradskie Electrical Networks Branch
151.	JSC Energoservice of Kuban	235 611,90	execution of construction and erection works on facilities of Leningradskie Electrical Networks Branch

152.	JSC Energoservice of Kuban	981 468,84	execution of construction and erection works on facilities of Leningradskie Electrical Networks Branch
153.	JSC Energoservice of Kuban	386 146,85	execution of construction and erection works on facilities of Leningradskie Electrical Networks Branch
154.	JSC Energoservice of Kuban	-	supplementary agreement to the contract for execution of construction and erection works and commissioning works of facilities of distribution networks of Leningrad Electrical Networks as to change in the period of work execution
155.	JSC Energoservice of Kuban	-	supplementary agreement to the contract for execution of construction and erection works and commissioning works of facilities of distribution networks of Leningrad Electrical Networks as to change in the period of work execution
156.	JSC Energoservice of Kuban	-	supplementary agreement to the contract for execution of construction and erection works and commissioning works of facilities of distribution networks of Leningrad Electrical Networks as to change in the period of work execution
157.	JSC Energoservice of Kuban	-	supplementary agreement to the contract for execution of construction and erection works and commissioning works of facilities of distribution networks of Leningrad Electrical Networks as to change in the period of work execution
158.	JSC Energoservice of Kuban	-	supplementary agreement to the contract for execution of construction and erection works and commissioning works of facilities of distribution networks of Leningrad Electrical Networks as to change in the period of work execution
159.	JSC Energoservice of Kuban	-	supplementary agreement to the contract for execution of construction and erection works and commissioning works of facilities of distribution networks of Leningrad Electrical Networks as to change in the period of work execution
160.	JSC Energoservice of Kuban	5 513 601,49	execution of construction and erection works on facilities of Leningradskie Electrical Networks Branch
161.	JSC Energoservice of Kuban	217 622,18	execution of design and survey works on facilities of Leningradskie Electrical Networks Branch
162.	JSC Energoservice of Kuban	5 575 258,09	execution of construction and erection works on facilities of Leningradskie Electrical Networks Branch
163.	JSC Energoservice of Kuban	1 647 353,41	execution of construction and erection works on facilities of Leningradskie Electrical Networks Branch
164.	JSC Energoservice of Kuban	390 366,93	supplementary agreement to the contract for execution of construction and erection works and commissioning works of facilities of distribution networks of Leningrad Electrical Networks as to change in the contract price
165.	JSC Energoservice of Kuban	2 062 492,15	execution of construction and erection works on facilities of Leningradskie Electrical Networks Branch
166.	JSC Energoservice of Kuban	2 019 537,46	execution of construction and erection works on facilities of Leningradskie Electrical Networks Branch
167.	JSC Energoservice of Kuban	341 056,25	execution of construction and erection works on facilities of Leningradskie Electrical Networks Branch
168.	JSC Energoservice of Kuban	130 418,39	execution of design and survey works on facilities of Leningradskie Electrical Networks Branch
169.	JSC Energoservice of Kuban	880,00	providing services for monitoring the technical condition of motor transport when leaving the line
170.	JSC Energoservice of Kuban	2 020 116,00	execution of design and survey works on facilities of Slavyanskie Electrical Networks Branch
171.	JSC Energoservice of Kuban	2 802 804,29	execution of design and survey works on facilities of Slavyanskie Electrical Networks Branch
172.	JSC Energoservice of	5 016 542,00	execution of design and survey works on facilities of

	Kuban		Slavyanskije Electrical Networks Branch
173.	JSC Energoservice of Kuban	1 750 244,40	execution of design and survey works on facilities of Slavyanskije Electrical Networks Branch
174.	JSC Energoservice of Kuban	-	supplementary agreement to the contract on the execution of construction and erection works on facilities of Slavyanskije Electrical Networks Branch as to change in the period of work execution
175.	JSC Energoservice of Kuban	-	supplementary agreement to the contract on execution of design and survey works on facilities of Slavyanskije Electrical Networks Branch as to change in the period of work execution
176.	JSC Energoservice of Kuban	-	supplementary agreement to the contract on execution of design and survey works on facilities of Slavyanskije Electrical Networks Branch as to change in the period of work execution
177.	JSC Energoservice of Kuban	410 674,02	execution of construction and erection works on facilities of Slavyanskije Electrical Networks Branch
178.	JSC Energoservice of Kuban	557 576,04	execution of construction and erection works on facilities of Slavyanskije Electrical Networks Branch
179.	JSC Energoservice of Kuban	482 068,98	execution of construction and erection works on facilities of Slavyanskije Electrical Networks Branch
180.	JSC Energoservice of Kuban	285 455,59	execution of construction and erection works on facilities of Slavyanskije Electrical Networks Branch
181.	JSC Energoservice of Kuban	5 399 978,72	execution of construction and erection works on facilities of Slavyanskije Electrical Networks Branch
182.	JSC Energoservice of Kuban	550 267,38	execution of construction and erection works on facilities of Slavyanskije Electrical Networks Branch
183.	JSC Energoservice of Kuban	410 919,84	execution of construction and erection works on facilities of Slavyanskije Electrical Networks Branch
184.	JSC Energoservice of Kuban	547 476,76	execution of construction and erection works on facilities of Slavyanskije Electrical Networks Branch
185.	JSC Energoservice of Kuban	365 404,12	execution of construction and erection works on facilities of Slavyanskije Electrical Networks Branch
186.	JSC Energoservice of Kuban	589 554,18	execution of construction and erection works on facilities of Slavyanskije Electrical Networks Branch
187.	JSC Energoservice of Kuban	420 788,64	execution of construction and erection works on facilities of Slavyanskije Electrical Networks Branch
188.	JSC Energoservice of Kuban	-	supplementary agreement to the contract on execution of design and survey works on facilities of Slavyanskije Electrical Networks Branch as to change in the period of work execution
189.	JSC Energoservice of Kuban	-	supplementary agreement to the contract on execution of design and survey works on facilities of Slavyanskije Electrical Networks Branch as to change in the period of work execution
190.	JSC Energoservice of Kuban	-	supplementary agreement to the contract on execution of design and survey works on facilities of Slavyanskije Electrical Networks Branch as to change in the period of work execution
191.	JSC Energoservice of Kuban	2 381 840,00	execution of design and survey works on facilities of Slavyanskije Electrical Networks Branch
192.	JSC Energoservice of Kuban	666 966,88	execution of construction and erection works on facilities of Slavyanskije Electrical Networks Branch
193.	JSC Energoservice of Kuban	3 602 000,00	execution of construction and erection works on facilities of Slavyanskije Electrical Networks Branch
194.	JSC Energoservice of Kuban	138 700,00	execution of design and survey works on facilities of Slavyanskije Electrical Networks Branch
195.	JSC Energoservice of Kuban	763 700,00	execution of design and survey works on facilities of Slavyanskije Electrical Networks Branch
196.	JSC Energoservice of Kuban	2 008 992,00	execution of design and survey works on facilities of Slavyanskije Electrical Networks Branch

197.	JSC Energoservice of Kuban	-	supplementary agreement to the contract on execution of design and survey works on facilities of Slavyansk Electrical Networks Branch as to change in the period of work execution
198.	JSC Energoservice of Kuban	480 776,00	execution of design and survey works on facilities of Slavyansk Electrical Networks Branch
199.	JSC Energoservice of Kuban	5 662 949,66	execution of design and survey works on facilities of Slavyansk Electrical Networks Branch
200.	JSC Energoservice of Kuban	-	supplementary agreement to the contract on execution of design and survey works on facilities of Slavyansk Electrical Networks Branch as to change in the period of work execution
201.	JSC Energoservice of Kuban	-	supplementary agreement to the contract on the execution of construction and erection works on facilities of Slavyansk Electrical Networks Branch as to change in the procedure for acceptance of completed works and contractual payment
202.	JSC Energoservice of Kuban	-	supplementary agreement to the contract on execution of design and survey works on facilities of Slavyansk Electrical Networks Branch as to change in the period of work execution
203.	JSC Energoservice of Kuban	8 059 775,27	execution of construction and erection works on facilities of Slavyansk Electrical Networks Branch
204.	JSC Energoservice of Kuban	3 810 082,86	execution of construction and erection works on facilities of Slavyansk Electrical Networks Branch
205.	JSC Energoservice of Kuban	-	supplementary agreement to the contract on the execution of construction and erection works on facilities of Slavyansk Electrical Networks Branch as to change in the period of work execution
206.	JSC Energoservice of Kuban	1 533 094,18	execution of design and survey works on facilities of Slavyansk Electrical Networks Branch
207.	JSC Energoservice of Kuban	-	supplementary agreement to the contract on execution of design and survey works on facilities of Slavyansk Electrical Networks Branch as to change in the period of work execution
208.	JSC Energoservice of Kuban	5 641 918,26	supplementary agreement to the contract on the execution of construction and erection works on facilities of Slavyansk Electrical Networks Branch as to change in the contract price
209.	JSC Energoservice of Kuban	3 658 776,53	execution of construction and erection works on facilities of Slavyansk Electrical Networks Branch
210.	JSC Energoservice of Kuban	2 909 305,52	execution of design and survey works on facilities of Slavyansk Electrical Networks Branch
211.	JSC Energoservice of Kuban	1 040 308,00	execution of design and survey works on facilities of Slavyansk Electrical Networks Branch
212.	JSC Energoservice of Kuban	4 146 948,00	execution of design and survey works on facilities of Slavyansk Electrical Networks Branch
213.	JSC Energoservice of Kuban	1 895 820,96	supplementary agreement to the contract on execution of design and survey works on facilities of Slavyansk Electrical Networks Branch as to change in the period of work execution and contract price
214.	JSC Energoservice of Kuban	2 325 131,63	supplementary agreement to the contract on execution of design and survey works on facilities of Slavyansk Electrical Networks Branch as to change in the period of work execution and contract price
215.	JSC Energoservice of Kuban	6 594 414,44	execution of construction and erection works on facilities of Slavyansk Electrical Networks Branch
216.	JSC Energoservice of Kuban	4 509 527,56	execution of construction and erection works on facilities of Slavyansk Electrical Networks Branch
217.	JSC Energoservice of Kuban	5 350 563,31	execution of construction and erection works on facilities of Slavyansk Electrical Networks Branch

218.	JSC Energoservice of Kuban	7 696 699,64	execution of construction and erection works on facilities of Slavyanskie Electrical Networks Branch
219.	JSC Energoservice of Kuban	6 647 926,34	execution of construction and erection works on facilities of Slavyanskie Electrical Networks Branch
220.	JSC Energoservice of Kuban	5 738 005,20	execution of construction and erection works on facilities of Slavyanskie Electrical Networks Branch
221.	JSC Energoservice of Kuban	1 750 122,42	execution of construction and erection works on facilities of Slavyanskie Electrical Networks Branch
222.	JSC Energoservice of Kuban	5 426 233,12	execution of construction and erection works on facilities of Slavyanskie Electrical Networks Branch
223.	JSC Energoservice of Kuban	1 220 459,00	execution of design and survey works on facilities of Slavyanskie Electrical Networks Branch
224.	JSC Energoservice of Kuban	3 900 928,00	execution of design and survey works on facilities of Slavyanskie Electrical Networks Branch
225.	JSC Energoservice of Kuban	913 037,39	execution of construction and erection works on facilities of Slavyanskie Electrical Networks Branch
226.	JSC Energoservice of Kuban	211 181,64	execution of design and survey works on facilities of Timashevsk Electrical Networks Branch
227.	JSC Energoservice of Kuban	2 703 763,84	execution of construction and erection works on facilities of Timashevsk Electrical Networks Branch
228.	JSC Energoservice of Kuban	2 270 750,94	execution of construction and erection works on facilities of Timashevsk Electrical Networks Branch
229.	JSC Energoservice of Kuban	1 433 062,42	supplementary agreement to the contract on execution of design and survey works on facilities of Timashevsk Electrical Networks Branch as to change in the period of work execution
230.	JSC Energoservice of Kuban	211 181,64	termination agreement on execution of design and survey works on facilities of Timashevsk Electrical Networks Branch
231.	JSC Energoservice of Kuban	127 487,55	supplementary agreement to the contract on execution of design and survey works on facilities of Timashevsk Electrical Networks Branch as to change in the period of work execution
232.	JSC Energoservice of Kuban	3 828 361,52	execution of design and survey works on facilities of Timashevskie Electrical Networks Branch
233.	JSC Energoservice of Kuban	810 129,44	execution of design and survey works on facilities of Timashevskie Electrical Networks Branch
234.	JSC Energoservice of Kuban	7 216,14	Rendering of services for monitoring the technical condition of motor transport
235.	JSC Energoservice of Kuban	13 908 641,87	supplementary agreement to the framework contractor agreement on execution of design and survey works on facilities of Timashevsk Electrical Networks Branch as to reduction of scope of work and contract price
236.	JSC Energoservice of Kuban	245 019,83	supplementary agreement to the immovable property lease contract as to change in composition of leased assets and rental value
237.	JSC Energoservice of Kuban	1 161 305,72	execution of design and survey works on facilities of Timashevskie Electrical Networks Branch
238.	JSC Energoservice of Kuban	2 389 478,81	execution of design and survey works on facilities of Timashevskie Electrical Networks Branch
239.	JSC Energoservice of Kuban	900 000,00	execution of design and survey works on facilities of Timashevskie Electrical Networks Branch
240.	JSC Energoservice of Kuban	900 370,87	execution of construction and erection works on facilities of Timashevskie Electrical Networks Branch
241.	JSC Energoservice of Kuban	2 561 224,36	execution of design and survey works on facilities of Timashevskie Electrical Networks Branch
242.	JSC Energoservice of Kuban	49 912 103,74	execution of construction and erection works on facilities of Timashevskie Electrical Networks Branch
243.	JSC Energoservice of Kuban	9 122 942,69	execution of construction and erection works on facilities of Sochi Electrical Networks Branch

244.	JSC Energoservice of Kuban	1 963 606,80	supplementary agreement to the lease contract of a transport vehicle with crew as to change in rental value
245.	JSC Energoservice of Kuban	1 392 290,16	supplementary agreement to the lease contract of a transport vehicle with crew as to change in rental value
246.	JSC Energoservice of Kuban	2 941 621,80	execution of design and survey works on facilities of Sochi Electrical Networks Branch
247.	JSC Energoservice of Kuban	2 818 593,00	execution of design and survey works on facilities of Sochi Electrical Networks Branch
248.	JSC Energoservice of Kuban	1 619 989,13	maintenance and providing with electric power supply at the facilities of Sochi Electrical Networks Branch
249.	JSC Energoservice of Kuban	1 130 799,60	execution of construction and erection works and commissioning works on facilities of Sochi Electrical Networks branch
250.	JSC Energoservice of Kuban	1 926 898,44	supplementary agreement to the lease contract of a transport vehicle with crew as to change in rental value
251.	JSC Energoservice of Kuban	1 433 624,09	execution of design and survey works on facilities of Sochi Electrical Networks Branch
252.	JSC Energoservice of Kuban	49 846 882,24	supplementary agreement to the contract on the execution of construction and erection works on facilities of Sochi Electrical Networks Branch as to change in the contract price and procedure for the transfer of materials and equipment
253.	JSC Energoservice of Kuban	114 591,60	technological connection to the electric networks of PJSC Rosseti Kuban
254.	JSC Energoservice of Kuban	-	supplementary agreement to the contract for technological connection to the electric networks of PJSC Rosseti Kuban as to assignment for the subject of the contract
255.	JSC Energoservice of Kuban	1 450 802,47	execution of design and survey works on facilities of Tikhoretskie Electrical Networks Branch
256.	JSC Energoservice of Kuban	284 662,66	execution of design and survey works on facilities of Tikhoretskie Electrical Networks Branch
257.	JSC Energoservice of Kuban	5 211,50	execution of design and survey works on facilities of Tikhoretskie Electrical Networks Branch
258.	JSC Energoservice of Kuban	6 275 889,08	execution of design and survey works on facilities of Tikhoretskie Electrical Networks Branch
259.	JSC Energoservice of Kuban	376 457,35	execution of design and survey works on facilities of Tikhoretskie Electrical Networks Branch
260.	JSC Energoservice of Kuban	2 204 059,06	execution of design and survey works on facilities of Tikhoretskie Electrical Networks Branch
261.	JSC Energoservice of Kuban	11 741 151,27	framework agreement on execution of construction and erection works on facilities of Labinsk Electrical Networks Branch
262.	JSC Energoservice of Kuban	1 666 794,00	execution of design and survey works on facilities of Ust-Labinsk Electrical Networks Branch
263.	JSC Energoservice of Kuban	1 222 809,60	execution of design and survey works on facilities of Ust-Labinsk Electrical Networks Branch
264.	JSC Energoservice of Kuban	289 085,00	execution of construction and erection works on facilities of Ust-Labinsk Electrical Networks Branch
265.	JSC Energoservice of Kuban	-	supplementary agreement to the contract on execution of design and survey works on facilities of Ust-Labinsk Electrical Networks Branch as to change in the period of work execution
266.	JSC Energoservice of Kuban	64 460,98	execution of construction and erection works on facilities of Ust-Labinsk Electrical Networks Branch
267.	JSC Energoservice of Kuban	6 410,00	execution of construction and erection works on facilities of Ust-Labinsk Electrical Networks Branch
268.	JSC Energoservice of Kuban	2 266 395,60	execution of construction and erection works on facilities of Ust-Labinsk Electrical Networks Branch
269.	JSC Energoservice of Kuban	11 589 837,39	supplementary agreement to the contract on the execution of construction and erection works on facilities of Ust-

			Labinsk Electrical Networks Branch as to change in the procedure for acceptance of works and reduction of price
270.	JSC Energoservice of Kuban	–	supplementary agreement to the contract on the execution of construction and erection works on facilities of Ust-Labinsk Electrical Networks Branch as to change in the procedure for acceptance of works and its payment
271.	JSC Energoservice of Kuban	3 075 340,00	execution of design and survey works on facilities of Ust-Labinsk Electrical Networks Branch
272.	JSC Energoservice of Kuban	954 081,48	execution of design and survey works on facilities of the South-West Electrical Networks Branch
273.	JSC Energoservice of Kuban	745 673,74	execution of design and survey works on facilities of the South-West Electrical Networks Branch
274.	JSC Energoservice of Kuban	607 171,22	execution of design and survey works on facilities of the South-West Electrical Networks Branch
275.	JSC Energoservice of Kuban	678 556,30	execution of design and survey works on facilities of the South-West Electrical Networks Branch
276.	JSC Energoservice of Kuban	1 577 019,14	execution of design and survey works on facilities of the South-West Electrical Networks Branch
277.	JSC Energoservice of Kuban	1 293 772,61	execution of design and survey works on facilities of the South-West Electrical Networks Branch
278.	JSC Energoservice of Kuban	1 063 408,62	execution of construction and erection works on facilities of the South-West Electrical Networks Branch
279.	JSC Energoservice of Kuban	849 025,78	execution of construction and erection works on facilities of the South-West Electrical Networks Branch
280.	JSC Energoservice of Kuban	6 672 995,40	execution of construction and erection works on facilities of the South-West Electrical Networks Branch
281.	JSC Energoservice of Kuban	1 717 877,41	execution of design and survey works on facilities of the South-West Electrical Networks Branch
282.	JSC Energoservice of Kuban	1 691 822,63	execution of design and survey works on facilities of the South-West Electrical Networks Branch
283.	JSC Energoservice of Kuban	6 729 063,08	execution of construction and erection works on facilities of the South-West Electrical Networks Branch
284.	JSC Energoservice of Kuban	1 494 108,21	execution of construction and erection works on facilities of the South-West Electrical Networks Branch
285.	JSC Energoservice of Kuban	1 019 353,08	execution of construction and erection works on facilities of the South-West Electrical Networks Branch
286.	JSC Energoservice of Kuban	573 592,96	execution of design and survey works on facilities of the South-West Electrical Networks Branch
287.	JSC Energoservice of Kuban	540 545,76	execution of design and survey works on facilities of the South-West Electrical Networks Branch
288.	JSC Energoservice of Kuban	768 664,52	execution of design and survey works on facilities of the South-West Electrical Networks Branch
289.	JSC Energoservice of Kuban	779 449,42	execution of design and survey works on facilities of the South-West Electrical Networks Branch
290.	JSC Energoservice of Kuban	623 534,98	execution of design and survey works on facilities of the South-West Electrical Networks Branch
291.	JSC Energoservice of Kuban	1 026 014,39	execution of design and survey works on facilities of the South-West Electrical Networks Branch
292.	JSC Energoservice of Kuban	775 480,88	execution of design and survey works on facilities of the South-West Electrical Networks Branch
293.	JSC Energoservice of Kuban	832 884,13	execution of design and survey works on facilities of the South-West Electrical Networks Branch
294.	JSC Energoservice of Kuban	1 474 222,86	execution of design and survey works on facilities of the South-West Electrical Networks Branch
295.	JSC Energoservice of Kuban	901 320,13	execution of design and survey works on facilities of the South-West Electrical Networks Branch
296.	JSC Energoservice of Kuban	2 674 345,21	execution of design and survey works on facilities of the South-West Electrical Networks Branch
297.	JSC Energoservice of Kuban	994 138,19	execution of construction and erection works on facilities of the South-West Electrical Networks

298.	JSC Energoservice of Kuban	2 168 540,68	execution of design and survey works on facilities of the South-West Electrical Networks Branch
299.	JSC Energoservice of Kuban	1 348 541,35	execution of design and survey works on facilities of the South-West Electrical Networks Branch
300.	JSC Energoservice of Kuban	942 455,44	execution of design and survey works on facilities of the South-West Electrical Networks Branch
301.	JSC Energoservice of Kuban	768 621,24	execution of design and survey works on facilities of the South-West Electrical Networks Branch
302.	JSC Energoservice of Kuban	1 101 423,91	execution of design and survey works on facilities of the South-West Electrical Networks Branch
303.	JSC Energoservice of Kuban	1 014 868,61	execution of design and survey works on facilities of the South-West Electrical Networks Branch
304.	JSC Energoservice of Kuban	3 781 032,80	execution of construction and erection works on facilities of the South-West Electrical Networks Branch
305.	JSC Energoservice of Kuban	7 640 723,32	execution of construction and erection works on facilities of the South-West Electrical Networks Branch
306.	JSC Energoservice of Kuban	616 352,51	execution of design and survey works on facilities of the South-West Electrical Networks Branch
307.	JSC Energoservice of Kuban	1 999 245,47	execution of design and survey works on facilities of the South-West Electrical Networks Branch
308.	JSC Energoservice of Kuban	1 856 849,83	execution of design and survey works on facilities of the South-West Electrical Networks Branch
309.	JSC Energoservice of Kuban	1 609 401,08	execution of design and survey works on facilities of the South-West Electrical Networks Branch
310.	JSC Energoservice of Kuban	2 333 823,07	execution of design and survey works on facilities of the South-West Electrical Networks Branch
311.	JSC Energoservice of Kuban	36 528,53	execution of design and survey works on facilities of the South-West Electrical Networks Branch
312.	JSC Energoservice of Kuban	1 018 832,33	supplementary agreement to the contract on execution of design and survey works on facilities of South-West Electrical Networks Branch as to change in contract price
313.	JSC Energoservice of Kuban	2 628 034,18	execution of design and survey works on facilities of the South-West Electrical Networks Branch
314.	JSC Energoservice of Kuban	763 148,15	supplementary agreement to the contract on execution of design and survey works on facilities of South-West Electrical Networks Branch as to change in contract price
315.	JSC Energoservice of Kuban	48 330 171,48	supplementary agreement to the contract on the execution of construction and erection works on facilities of the South-West Electrical Networks Branch as to change in the contract price
316.	JSC Energoservice of Kuban	-	supplementary agreement to the contract on the execution of construction and erection works on facilities of the South-West Electrical Networks Branch as to change in the period of work execution
317.	JSC Energoservice of Kuban	-	supplementary agreement to the contract on the execution of construction and erection works on facilities of the South-West Electrical Networks Branch as to change in the period of work execution
318.	JSC Energoservice of Kuban	-	supplementary agreement to the contract on the execution of construction and erection works on facilities of the South-West Electrical Networks Branch as to change in the period of work execution
319.	JSC Energoservice of Kuban	-	supplementary agreement to the contract on the execution of construction and erection works on facilities of the South-West Electrical Networks Branch as to change in the period of work execution
320.	JSC Energoservice of Kuban	-	supplementary agreement to the contract on the execution of construction and erection works on facilities of the South-West Electrical Networks Branch as to change in the period of work execution

321.	JSC Energoservice of Kuban	-	supplementary agreement to the contract on the execution of construction and erection works on facilities of South-West Electrical Networks Branch as to change in the period of work execution
322.	JSC Energoservice of Kuban	-	supplementary agreement to the contract on the execution of construction and erection works on facilities of South-West Electrical Networks Branch as to change in the period of work execution
323.	JSC Energoservice of Kuban	-	supplementary agreement to the contract on execution of design and survey works on facilities of South-West Electrical Networks Branch as to change in the mode of payment under the agreement
324.	JSC Energoservice of Kuban	-	supplementary agreement to the contract on execution of design and survey works on facilities of South-West Electrical Networks Branch as to change in the period of work execution

Transactions between subsidiaries and affiliates of the Issuer were not made in the reporting quarter.
